Per il dimensionamento e la fornitura di condensatore e raffreddatore olio ad acqua od aria remoto, contattare nostro ufficio tecnico commerciale

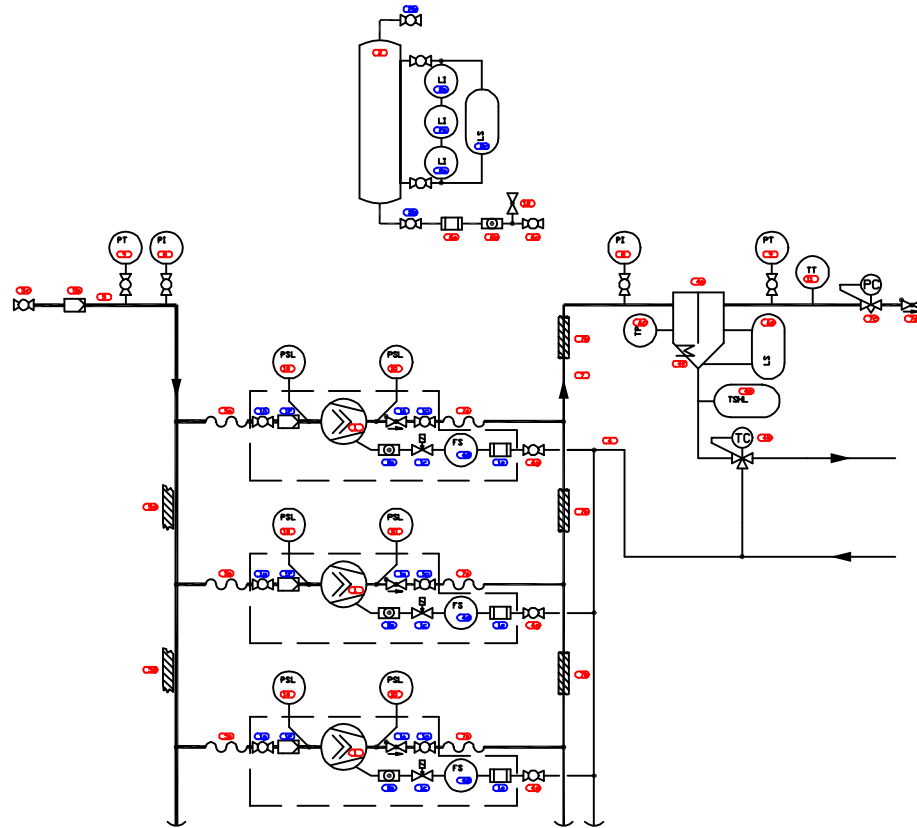

For the layout and the supply of the water or air cooled condensers and oilcoolers, please contact our technical-commercial department

Für die Auslegung und die Lieferung von wasser- oder luftgekühlten Verflüssiger bzw. Ölkühler, wenden Sie sich bitte an unser technisch-kaufmännisches Büro

Pour la sélection et la livraison de condenseurs et refroidisseurs d'huile à air ou bien à eau, contacter s.v.p. notre bureau technico-commercial

3 screw compressor Compressor Pack (HT)
without economiser

No.	Symbol	Description
1.		semihermetic compressor with equipment
2.		semihermetic compressor
3.		crankcase heater
4.		rotalock valve
5.		internal suction filter
6.		pressure differential switch
7.		solenoid valve (NC)
8.		antivibrating pipe
9.		head cooling fan
10.		check valve
11.		shut-off valve
12.		suction filter
13.		insulation
13.		oil separator
15.		oil receiver
16.		pressure regulator
17.		pressure differential regulator
18.		sightglass
19.		oil filter
20.		oil level regulator

Standard_compressorpacks-leg.dwg

21.		liquid receiver
22.		thermostatic exp. valve with external pressure equalization
23.		liquid subcooler
24.		filter-drier
25.		level switch
26.		liquid indicator (sight glass)
27.		service valve
28.		temperature sensor
29.		pressure sensor
30.		pressure indicator
31.		pressure switch low
32.		pressure switch high
33.		suction line
34.		discharge line
35.		liquid line
36.		oil line
37.		item no.
38.		subitem no.
39.		limits item with subitems

Standard_compressorpacks-leg.dwg
